4. FIRST AID MEASURES

INHALATION: Provide rest, warmth and fresh air. Get medical attention if any discomfort continues. If breathing has stopped, start artificial respiration and seek immediate medical attention.

INGESTION: Product has extremely low level of toxicity. **DO NOT INDUCE VOMITING!** If vomiting occurs, keep head low so that stomach content doesn't get into the lungs. Rinse mouth thoroughly. Do not give victim anything to drink if he is unconscious. Get medical attention if any discomfort continues.

SKIN: Rinse immediately with plenty of water. Immediately remove contaminated clothing. Get medical attention if irritation persists after washing.

EYES: Promptly wash eyes with plenty of water while lifting the eye lids. Continue to rinse for at least 15 minutes. Get medical attention if any discomfort continues.
